## Level II & III

### EXIT REPORT FOR: \_\_\_\_\_

Your automotive program has just completed an extensive inspection using standards established by the automotive repair industry. These standards represent automotive repair industry training standards recognized as preparation for job entry. Your program was inspected to meet Level I. The evaluator fully understands the needs of the automotive repair industry. The following is the inspection summary that will be submitted to ATTS for evaluation and a decision on your program's certification. Deficient item numbers are shown on the Evaluation Scoring sheet. If you pass, 10% of the deficiencies must be corrected before the four-year compliance check.

The following are general comments by the Evaluator that are of significant concern:

#### **Comments on "Exceptional" (4) Items:**

#### **Comments on "Mandatory" Items with a zero score:**

**Comments on "Somewhat" Items:**

**Comments on "No" (0) Items:**

ITL: Use back of this sheet for suggestions for improvements of certification process.
