April 23<sup>rd</sup> and 24<sup>th</sup>**

The spring 2010, California Automotive Teachers Conference is rapidly approaching. This event will be hosted by Yuba Community College located in Marysville, California. Yuba College is located 39 miles north of Sacramento International Airport. A map and directions are enclosed.

For those who can attend on Friday, we are offering 2 guided and 3 self-guided tours. For the guided tours we are offering Beale Air Force Base and Lake Oroville Dam. The Beale AFB tour has a limited number of spaces available and will require you to submit your driver's license number for verification. Lake Oroville's tour will leave at 7:30am sharp from the campus. The three self guided tours are the Empire Mine State Park in Grass Valley, The California Train Museum and the California Automobile Museum (formerly the Towe) in Sacramento.

New this year, “**VALVE COVER RACES**”. Yes we are bringing them back! So build a race cover and bring it to the conference. Maximum weight is 10 pounds. You choose your wheels. No Power adders!! Prizes for Fastest, Ugliest and Best of Show. The Bureau of Automotive Repair will be presenting update workshops on both Friday morning at 10:00am and again Friday evening at 7:00pm.

Saturday will be busy. Events will include door prizes, valve cover races, vendors, live demonstrations and manufacturers reps. Topping our list of presenters will be Dr. Mark Quarto, Engineering Group Manager-Global Aftersales Engineering-Advanced Powertrain Systems at General Motors.

An update on the seminars and the presenters will follow in the next letter.

If you have any questions, please contact Don Schumacher. Telephone is 530-741-6930, email is [dschumac@yccd.edu](mailto:dschumac@yccd.edu).
